(All Members) | Monthwise searching option for Dedupe | High

---

Hi ,

Whenever we upload any case file (excel file) irrespective to Client or product, we need the dedupe to happen only on last six months data and same the logic to be implemented on month-on-month basis. If we will have a flexibility to change the time period at our end that can also help i.e., if we can change the time frame from 6 months to 1 year or 9 months etc.

Hello ma'am,

Let me know when we can discuss about date filter option in cases import List, to dedupe search only particular cases between date range.

Regards,

Prasad Gawade

Hello,

As discuss on call with Dipika Ma'am, date filter for dedupe search to be given on importList page for both the countries.

Regards,  
Prasad Gawade

Hi,

Ops need to test it on demo server.

Please share the details where to test it for Dubai.

Hello mam,

There is no demo server for Dubai, please check functionality working in : <https://demopms.resoftech.com/>

Hi Bhavna,

We will require demo server for Dubai in future also, so better we work on it now.

Hello sir,

Please let us know what is to be done here.

Do we create new demo server for Dubai or add existing Dubai server database in pmsdemo.resoftech.com ?

**Date & Time :** 13-04-2023 01:20:PM

Hello mam,

As discussed with Sir Kailash, Dubai Demo server is ready now, please login and check.

Hello maam,

Have you tested the same on Dubai demo server. Please let me know so that we can start preparing files for live

Hi Prasad,

As discussed require dedupe date range mandatory for 6 month ( date should be prefill) for both countries

**Posted By :** Prasad Gawade

**Assigned To :** Dipika Yedge

C132 High

**Date & Time :** 15-05-2023 04:36:PM

Hello maam,

As discussed on call below are the changes made in dedupe case search.

- 1) In **from date** 6 months old date from today's date is prefilled.
- 2) In **to date** today's date is prefilled.
- 3) Made **from date** and **to date** mandatory.
- 4) Made at least one case compulsory for dedupe search.
- 5) Show save button only after dedupe for Dubai(functionality was already present in India).

Validations changes.

- 1) For **from date** dates which are greater than six months old from today's date are disabled (date picker).
- 2) For **to date** only today's date is enabled others are disabled (date picker).
- 3) Check 6 months before date for **from date** on server side.
- 4) Check today's date equal to **to date** on server side.
- 4) Make both **from** and **to** date compulsory on server side.

**Above changes are for both Dubai and India.**

While trying to change files in pamac\_live git repo I found that C85 changes were not present in the pamac\_live repo, it only present in pamac\_demo repo which means C85 changes are present in demo server but not in live server, if check C85 thread you can see changes were reverted from live server due to dedupe search time out issue.

Please let me know both changes **C85** and **C132** to be uploaded in live server or only **C132** ?
