Hello,

As per discussion with Dipika ma'am and Manas sir and my research:

1) Pincode master is used to compare pincode during case import and used in pincode mapping (To map fe with pincode) also resi_pincode, off_pincode is majorly used pincode field.

2) Following are the FE mapped in pincode mapping:

-> Umesh Fulzale

-> Sumeet Bawane
-> PRAVIN BASESHANKAR

Before Deleting pincode "440034" please check above FE.

Hello,

Do we need to delete pincode from backend or from pincode master. Please check in with mam Dipika if pincode deletion is required.
