Hello,

As discussed, there is no functionality present in current system to preserve log for Supervisor, Fe etc other then tele (for appointment fix only) for datewise log of remark field.

Please discuss with Sir Kailash if this new change is to be done for Supervisor, Fe.

Also for Fe i think mobile app changes will be required for this.

Hello,

As discussed on call with Ramki sir,

We need only FE's remark submitted from his/her mobile.

Changes can be done either from mobile app(require android developer) OR from case history(need further discussion).

Date & Time : 21-10-2022 04:12:PM

Hello,

As discussed with Manas sir getting Fe's remark from case history will not be a suitable option as there are chances of losing the data from case history table.

Mobile app web services need to be change (when Fe submits case details from mobile app).
Fe's remark will be save in other table(eg. fe consolidate remark) with **case id, submit time, Fe remark, Fe id**.

Please clear below doubts :

- 1) Field for Fe's remark - **remarks.** ?
- 2) Is this change only for **DCR_appt** activity.
