Remove required from Client POC | Emergency

Hi,

as discussed with Manas, please remove required/mandatory conditions from Client POC field.

As many client assign to single template. and some of them dont have Client login id.

Hence we are not able to import case.

Please do the changes on urgent basis.

Hello,

Will update change in country demo server first and then once confirmed will upload on live server.

Also please provide us which activity to select and import, Case import menu selection used to import excel sheet, the excel sheet itself.

We will check once it is done.
