Template preview error | Medium

Below are the errors in template preview (screen shots attached):

- 1) Calendar not shown for date field.
- 2) Active inactive field function not seen properly
- 3) For inactive date fields, only cross is seen without the field

Error observed in templates:

Cheque pickup - DCR

PNB Metlife - cheque pickup - DCR

Aspire CPA PD Sal

the changes are properly seen in the actual cases, but error in template preview.

Issue is resolved.

Please verify.

There was a javascript error while printing values for date field on page and one error may discontinue the further javascript code execution.
