Can we discuss every requirement before we do it.

Software is completely flowing like water in any direction where it gets way.

We must strictly follow procedure for each change or requirement to be implemented

Hi,

As for logout changes are pending from mobile app, which will be done by Sir Sandeep for logout, we will create a function in webservice as required when told by Sir Sandeep.

Please let us know what function name and functionality is to be done in that function, and aslo api filename where changes are to be made.
