Radio field type selection issue | High

For a field of case 102256658, the selection for radio field 377 is shown in pdf report, as well while the page is loading the case edit, however once the loading of the page is complete, the value is not shown.

Please check attached screen shot while loading page and after page is loaded. also attaching the pdf for reference

Field377 - Label - Asset11-Whether battery bank is a loos battery cell

Client - Deloitte

Activity: RCU

Product: telecom

VT: SV

Date & Time : 14-07-2016 12:25:PM

Issue is resolved.

Please verify and confirm.

Reason: There was an issue in javascript code to set the updated values(saved in database) for field type radio and checkbox.

Checked, resolved now.

However will keep open for a couple of days for observation.
