Hello mam,

Please check the attached excel sheet , the result data is grouping of zone,center,sub-center,client,activity,product,VT and applicants_name.

Activity : EBC and case Created date between 01-04-2019 to 20-08-2019

Please check and let us know if any change is required in the excel data.

Also if done. please close this point.

Error : File Not Found.
