We have added new column as Attendance in OJT

Here user will get all the respective employee details whose productivity they are updating.

In Attendance column user need to select the following option.

Absent: If employee is absent for the day then select **Absent**

Present: If employee is Present then select **Present**

Leave: If employee is on leave then select **Leave**

Attrited: If employee has left the job then select **Attrited**.

NA: If Employee is not applicable for OJT then please select **NA**.
