Kailash Kumawat | pamac db sync cron process | High

I receive every day pamac db sync email, Is it working?
I think DB sync is stooped on pamac server.

Date & Time : 06-07-2020 08:17:AM

Hello sir,

Is this email send for azure backup ? DB sync using **zip** files are stopped from PAMAC as they need older cases.

Also no cron script is written for azure db sync. Refer D196.
