case id - 102206856

Parent case - 102198858

Status - Hold

Send to client date - 2016-06-11 13:43:45

Last Modified date - 2016-06-11 13:42:58

- As per discussion with Navika changed the status Hold to Close of parent case and issue have been resolved.

case id - 102189303

Parent case - 102170889

parent case status - Close

- This case was not getting saved properly, because there was an residence address field selected for pincode mapping(used to capture emp and client rate) and in that field " was there, causing database query error.

Discussed this Navika and she did changes in setting of that field, and issue have been resolved.

case id - 102189306

Parent case - 102170890

parent case status - Close

- Not found any specific issue. Edit and saved case 102189306 again and visible into send to client tray.
