Few queries regarding the sheet shared:

- 1) What is 'Unit' and why do we need it?
- 2) Is Cluster here same as Zone in Resoftech?
- 3) The masters are not to be created new, they are the ones that are already there in existing Resoftech. Except Company master

In Agreement and Asset Screens

4) Contact Person has to be dropdown of employee list

5) What will be the values of dropdown for Minimum guarantee? This has to be an inputbox

6) What is the difference between Agreement date and date of Agreement?

1) What is 'Unit' and why do we need it?

reply : please see attach sheet, unit is give as master.

2) Is Cluster here same as Zone in Resoftech?

reply : yes same

3) The masters are not to be created new, they are the ones that are already there in existing Resoftech. Except Company master

reply : ok, but we need some option to show to superadmin so he can see all master entries

In Agreement and Asset Screens

4) Contact Person has to be dropdown of employee list

reply : OK

5) What will be the values of dropdown for Minimum guarantee? This has to be an inputbox

reply : Ok, it was given in existing system so we make as it is

6) What is the difference between Agreement date and date of Agreement?

reply : it is exists in existing system, please ask HR person.

I think one is date of adding record into web system, other is actual date when client sign agreement.
