Centerwise TAT

Holiday master to have an option for adding centerwise & subcenter wise holidays and same shall be considered in calculating TAT.

This will take one day as discussed.

This is an additional task, Bhavan to work on this on 18th April 2017 as discussed.

One query

If the region & center is blank, then the holiday will be applicable to all the regions and centers? And if the center is blank then all the centers of that region?
