Client Rate not showing | High

Hi,

We were imported client rate still but in export only 13 records showing.

Please find the attached client rate master for your reference.

 clientrate_import.xlsx

Hello,

I have checked, it is because you have activity selected after login, so only cpv related client rates have been exported.

To get all the rates you need Superadmin login or will have to select every activity after login and then export the client rates.

Also if you want the change in the query for other user login also to export all the client rates, which will require authorization from Sir Kailash.

Exported Client Rate attached.

Should we consider this as resolved?

Please try to conclude issue sooner than later

Hi Dipika,

Here need some changes according to user type because master modules were build only for Superadmin.

@Kailash Sir,

Please discuss with Bhavana related changes and give the permission also.
