(All Members) | Vertical wise tenure of the data storage

Hi,

Vertical wise tenure of the data storage to be maintained

For EBC activity data of the completed cases, to be stored on server for 60 days, rest of the data to be moved to the cold storage, as if in case any query test data available in the live

- For EBC activity data of the completed cases, to be stored on server for 30 days, rest of the data to be moved to the cold storage, as if in case any query test data available in the live

Hi Team

This was the earlier requirement however now as we are downloading the images on real time basis at local server this requirement can be closed
