Data Range to be reflected in the report

Hi Kailash

We have noticed that any report generating the from the RES don't have any header of the report generated for which period due to which we are facing problem to identify any report whether it is old dated report or current date report.

TO solve the issue we suggest you to please add header as in every report as Report from the date xx/xx/xxxx to xx/xx/xxxx

For i.e

Accounts Vendor Payment Report for Date 01/06/2019 To 29/06/2019

Hi,

Please confirm this change is only for MIS Reports, and if there is any change please post the final change as i think Report generated date is also needed in report which will tell when that report is generated.

Hi,

currently working on R51, once complete will check based on priority.

Posted By : Khamroddin Shaikh

R62

Date & Time : 20-08-2019 04:56:PM

Hi,

as R51 is in testing mode and FE rate categorywise contains some changes in files used in R51, hence once R51 is complete will work on FE rate categorywise. Due to R51 in testing currently working on this.

changes:

controller:user/reports

function:viewreport()

added heading changes

issue: start date end date for search not showing in report

helper:to_excel_helper

function:to_excel()

appended parameter heading and added logic for heading

Date & Time : 07-09-2019 10:47:AM

For developer team:

changes:

1)controller:user/reports

function:viewreport()

after export flag check, added heading changes for report and date fields

2) helper:to_excel_helper

function:to_excel()

appended parameter heading in function

added logic for heading

3) view:admin/reports/preview

a) import script statement for jquery.redirect.js

b)function:export_to()

added jquery redirect operation to pass dates variables to url through post.

4) added new js library in js folder

js/jquery.redirect.js

All changes are commented as:R61 7 sept

used js library:

<https://github.com/mgalante/jquery.redirect>

use:

to post values with redirect operation

For Ops team:

Changes uploaded on countrydemo please check and confirm for live.

Hi,

We have selected added date

1st Aug to 7th Sept still the report shows details as below

Report:	Pending MIS
Report Generated Date:	September 7, 2019, 4:56 pm
Added Date From:	01-08-2019
Added Date To:	01-08-2019

Hi,

In search criteria we have selected "added date from to" & TAT Start Time date From To"

But in export report only added date showing

Hi,

current change contains following dates only:

- 1) added date
- 2) fe submit date
- 3) send to client date

please provide all remaining dates which to be shown in report heading.

Hi,

As discussed with Deepika mam, date range for report should be required dynamic, since some reports contains date ranges which other reports don't hence based on report needed date ranges to be displayed in heading of MIS,

It will take 2 days upto demo server.
