Login issue(Dubai client) | Medium

Yesterday(23/03/2015), Rahul sir informed(on call) that Dubai client facing issue in login:

After login, suddenly closed the browser and trying to login again then it showing error message that 'User already logged in'.

I did investigation for this, did some changes in session expiration statements, observing the change and its effect.

Informed about this to Rahul sir(on skype).

Thanks,

Rakhi
