Dipika Yedge | Removal of mandate components in RES RCU Summary

---

Hi Manas,

Currently in our RCU RES Summary 2 components are reflecting even if those are not there for verification viz RV & BV. It is causing unnecessary additional space & also affecting the look & feel of report.

Kindly refer below Summary screenshot where we have highlighted the same.

We request your approval to remove those Mandate restriction and it should appear only when we import the same for verification. Only imported format should appear in the summary.

Hello mam,

As discussed please check and update design to remove blank fields and fixed vt.
