Dipika Yedge | Tasks present in demo but not in live server

Hello team,

As per discussion today with Shimbi team this thread will be used to track tasks present in **demo** server but not in **live** server for both **India** and **Dubai**.

Hello mam,

Following points are found, let me know if there any any other that i have missed -

Tasks present in demo but not in live server (both India and Dubai)

1) R67 - JPG file upload

2) D222 - VAPT Point for Mobile App

Please confirm, do you want to go live or discard them, we an not carry on so much old development.

Must conclude in time

Hi

From the discussion, i observe that:

- R67 is closed
- D222 - VAPT - i have requested Ajit and Ganesh to check and close this ticket and later start a new one with full VAPT requirement document
- C171 and C 174 have been attended to and have now moved to production also.
- C132 and R120 are said to be in progress as per Prasad -

Hello,

R67 is closed, but coding changes for web app are present in demo server but not in live.

Android app related changes are not present any where.
