Dipika Yedge | Radio field type options

---

Hi,

Radio field type options right now showing as comma separated in pdf design.

We required all values should be visible in new line

For reference check below template & pdf design

Template name- Universal Sompo General Insurance\_RCU

Pdf design name- Universal Sompo General Insurance\_RCU

Hello Prasad,

Please take this task, also keep requirement clear for now as no new changes are to be pushed in live server now.

Will upload changes only after confirmation received from Sir Siddharth and Sir Kailash.

Due to migration from US to AWS server we need to hold any new push in live server.
