Hello,

As per discussion and checking database of myproject app, we have found that the bug B335 has been deleted from the system by the user who had posted the bug, since only that user has the rights to delete that bug and no one else.

Hello,

Can we close this point. For any bugs which has been moved to changes, we can maintain an excel and update in discussion. So that we can refer that in when any cases like this occur.
