Character limit for Supervisor remarks field | Emergency

Hi,

I have increase the character limit of Supervisor remarks from 1000 to 3000 through Field Master. Still this field not accepting characters more than 1000.

Please increase the character limit for Supervisor Remarks field

Hi,

Since we don't have access to dubai accounts, it will take some time after we get request approved

Hi,

For Emirates NBD RCB Retail CPV BV template

In template design

check and put maximum length to 3000 for validation

Hi.

Its a predefined field we can not increase through template design

Check attached screen shot

Hi,

Checked properly, It is found that after saving field values in field master you have to

1) just open edit field page and save in template details,

so the changes about max value validation will be reflected from field master to template details validation values.

Note: field master changes will not be reflected until you edit and save that field in template design.

Check and close if solved.
