Company seal not available in export pdf report | High

hi,

The company seal is not being shown in export pdf report of all clients.

Please resolve.

Company seal is now visible in the export pdf.

What was the issue?

What was the action taken to rectify this?

Sorry for delay in reply.

Reason of this issue :there was change in name of one variable which contains company seal information.

Now I have corrected it and it is working fine now.

Thanks,
Bhavana
