Hello,

As discussed with manas sir, please create template in demo server and cases then only we can test(Create bug scenario), if already template is there create pdf design same as in live.

Hello mam,

Issue is resolved. Issue occurred due to PDF summary design error for : **Aditya Birla Finance - RCU - STUL**

Design Error : 1584.co_applicant_name_if_any in summary page design did not have any ending # as such memory leak started in server which caused page to go blank. Also the the naming convention was wrong it started from 1584.verificationtype_id and then 1584.verificationtype_id.1 which should be 1584.verificationtype_id.2 and so on.

As such this task cannot be considered as bug. Screenshot attached.
