Hi,

1) Can we make right click disable to Supervisor remark field?

2) Can we handle right click disable option from the master?

D187 copy/paste disable

Added jquery code for changes:

view:user/master/add

commented previous condition for D187 making field only readonly

if supervisor then disable right click,highlight text, selection text etc.

```
$(("#remarks").hover(function(){ //D187 28 feb
    jQuery(this).mousedown(function(e){ e.preventDefault(); });
    $(this).bind('contextmenu', function(e) {
        return false;
    });
});
```

As discussed with Deepika mam it is on hold need Ganesh sir confirmation, but as discussed requirement on 26 feb the changes implemented. So please check country demo and confirm its working according to requirement.

Hi,

Can we handle this change from template design? as there are multiple fields used for FE Remarks.

Hi,

Please post final change/requirements what is necessary application, as this type of development will waste so much time since already discussed at Shimbi labs that any new change or requirement must be discussed with Kailash sir or Manas sir and then same can be assigned to developers when approved.

Please discuss with Shimbi team.

Hi,

As discussed with Ganesh Sir, please apply above changes to 1 field only that would be for "Supervisor remark" and this will be applicable only for India

Hi,

Mam please explain as discussion started with FE remarks should not be copy/paste now on 26 March you are saying that Supervisor remarks should not be copy/paste.

Need to discuss with Manas sir, How supervisor will add/edit if we disable 'supervisor remarks' field for supervisor?

Date & Time : 12-04-2019 04:51:PM

Hi,

As discussed with Manas sir,

Supervisor remarks field is only able to insert/edit text but copy,paste will not work on that.

Changes only for: contry 11 (India) and only supervisor remarks field.

Please confirm.
