Controller : user -> cases -> **function verification\_reopen()**

Line Nu. **2910**

There was a condition which works for ->

```
{
```

```
if($_SESSION['sess_user_designation_id']==7)
```

```
{
```

```
    if(!empty($_SESSION['sess_central_calling']))
```

```

{
    $where.=' OR (tele_id='.$_SESSION["sess_user_emp_id"].'
        AND fe_submit_date IS NULL AND (tele_submit_date IS NULL
        OR '.$where_additional.' )) )';
}
else
{
    $where.=' ) ) ' ;
}
}

```

A closed parenthesis was missing here so I fixed it, Please provide me another login details for Tele For cross verification
