Dipika Yedge | Case detail MIS | Emergency

Hi,

We are not able to generate Case details MIS.

After click on search screen goes blank.

Hello mam,

We are currently working on it, issue is ambiguous.

Hello mam,

Issue was in report creation , as such the query was firing wrong , issue was because of xss filtering converting ">" character to html entity ins sql query.

This has been fixed by avoiding sql field from xss filtering. Please check and close.
