Fullerton India - FE assignment list | Medium

Hi,

Fullerton India has 1 verification type PD, when i import case, i am unable to see the case in FE assign list. But the case and details are visible in Web list.

Sample import attached for reference.
User Id: Mytest

Please resolve.

Regards,
Navika

Hi,

In submenu module, in add/edit page there is setting to show the cases of selected verification types in assignment pages.

verification type 'PD' is not selected for FE assignment because of this case of verification type 'PD' not visible in FE assignment list.

Please find attached screenshot.

Note : This setting only for Assignment pages not for other pages like verification/updation(Supervisor Rater) etc.

Thanks,
Bhavana
