Point no.64(Product to be changed in Dubai cases)
Done with the changes directly from database.
Changed product from 'Dubai Verification' to 'SME Stock' of given cases in excel sheet.
Total no of cases are 19082.

Please verify and confirm.

This is done for the earlier sheet shared.

Please change the product for these additional 73 cases as well (attached), as they were added later.

I have now disabled/deleted the template assignment, hence no more cases will be required to change the product
