Dubai image size to be changed

Hi Rakhi
r
As per your discussion with Sandeep, please make note that we wants to change the image size for Dubai operations. Please change the Thumbnail ratio of 300x 450 for dubai images.

Kindly ensure this change in thumbnail ratio will not impact on the report extract time.

Done with changes on demo site only.
Please verify.

Note : Given ratio will adjust the height and width in thumbnail according to the actual height and width of
 original image.

Hello Rakhi,

While testing of send of client on demo site , there is not available signature in upload folder . so can we redirect

signature path of demo site's sign to live site.

Checked, however the images, if attached manually do not occupy the entire page .

Images that face errors attached for reference. Below mentioned are case details:

Case ID - 101920670, 101920667
Template name - Dubai RAK - Business Loans
