Import Rules

Rules for Import :
1) Import template should be exist.
2) In import template there should be subset of fields of main case template.
3) Dont add following fields in import template
   Country
   zone
   centre
   sub centre
   client
   activity
   product
4) Verification type is compulsary field, so it should be in import template.
5) Only validations are given.
   a. required
      - field should have some value
   b. callback_is_date
      - date should be in 'dd/mm/yyyy' format in import file.

Thanks,
Rakhi
