 Hello mam,

Please add this task in task list and set priority.

Also as discussed please let us know what combination is required for fe remarks master.
Ex: client, product, vt, center...

Hello mam,

Changes are update in demo server, please check.

New menu created > **Employee > Standard remarks**

For now changes are added for Fe when submitting case in mobile app.

Next will add same changes in web login also for both Fe and Vendor.

Date & Time : 29-11-2021 04:59:PM
Hello mam,

The field **case_operation_status ,** is fixed for use in Fe/tele separation process. We cannot use this field, need a different field name.

Hello mam,

As discussed standard remark is captured under fe_remarks field in case table.

Also i have checked this field is present in live India server also.

Hello mam,

As discussed please not below new points:

1) **fe_remarks** field is changed to **remarks ,** for standard remark capture.
2) Standard Remarks for web app will be captured when case is edited by anyone. Earlier it was Fe/Vendor/VE.
In mobile app webservice , if FE submits remark will be captured.

Date & Time : 11-01-2022 10:22:AM
Hello mam,

As discussed Bank Verification page is for Inputter and Authorizor as such map won't show since no fe is
involved in the process.
