Hello Bhavana,

As discussed for perfect base file creation needed below condition.
We taking an example of 10 documents for one applicant.
1) In all 10 cases, applicant name and reference number should be the same.
2) From all 10 case must be one case's Verification Type is Summary.

For the above condition's we are making changes in Send To Client module.
1) While done Send To Client in RCU activity, From selected case applicant name and Reference Number
should be same.
2) From selected case, once case should be verification Type is **Summary** .
