Total 78 cases map is not downloaded in pdf- Resolve on very urgent basis | Emergency

Dear Team,

Please note we have faced issues in Total 78 cases wherein the map was not captured.

Please refer the application ids of all the cases in attachment

Error was shown as below.

"This site cannot load Google maps completely Do you own this website"

Please check and rectify for all the cases at the earliest.

Regards,
Steven Pereira

As it is found that the cases are of dated 30 dec 2018 and we solved map issue on 31 dec after that map of some cases were not updated. Hence map generated for given
23 cases please check.
