Dipika Yedge | not able to close the cases | High

Hi
As discussed please check the issue for below case id.

We are not able to close the below cases.

01.106847456

02.106826995

Hello mam,

As i have checked the issue is with POST or post keyword used in form fields for these 2 cases, they were causing 406 not acceptable header response issue during form submit.

Please rename these 2 keywords if any in address or related fields and check.

Close this point if done.
