Hello Team,

In existing web-service i.e. "api_live_2_2_test.php" display some cases and some cases are not displayed in Assigned case list. But all cases displayed in previous web- service i.e. "api_live_2_1.php".

On Friday "14-07-2017" above issue gets resolved . But on Monday "17-07-2017" Its re-open with different condition or different way. Now Its solved.

Currently I closed this bug but will re-open whenever find this issue.
