(All Members) | Client dropdown getting blank after selecting "please select" option in zone dropdown. | High

---

Client drop down should remain as it is(show all client list) when keeping zone,center,sub center blank.
Currently client drop down is getting blank when zone, center, sub center is blank.

As we have resolved the change in the local and i have reviewed the same, please move the concerned pages and script to Demo and let dipika test before approval of ganesh to move to production by bhavana.

Dipika to check all necessary scenarios.

Hi Prasad,

Have added 1 case of Kolkata through inputter's login and the case is not showing in Bank Verification.

Have made changes in employee assignment as below
 Region/Zone - All
Center- Blank
Sub Center- Blank
Client- HDFC Bank Ltd
Product- KYC
VT- Residence Verification

Case ID- 109103050

Hello as discussed with Ganesh sir and reference to above mention case.

Instead of **"ALL"** option in zone, functionality same as add should be given for edit also i.e (On selecting **"please select"** from zone drop down, client drop down will not get blank(show all client name in drop down), which will require minimum changes.
