Mandate FE assignment

Hi,

1) Please mandate all fields on import page for India
2) Please mandate FE assignment for India. (Without FE assignment case should not be close)

Hi,
1st: Mandate FE assignment(req 2 days)
case verificaion list:
when editing any case if supervisor or any other designamtion closes the case then system must check whether the case is assigned to FE or not.

2nd: Mandate all fields on import page for India(req 3 days)
data files>>import
zone,centre,subcentre,client make it required validation

multi import>>zone,centre,subcentre make it required validation

verification>>case entry, zone,centre,subcentre make it required validation

verification>>new case zone,centre,subcentre make it required validation

Hi,

While closing tele case it shows error message that " Please assign the case to FE before closing the case".

As discussed with Ganesh Sir, if the case is assign to either Tele or FE the case should close through supervisor's login.

There is no rate/ payout for tele cases.
