Centre Issue - Show Previously Searched Records | Low

Module : Centre Master

Steps :

1) I select Search Pune

2) Shows all Pune Centre

3) I Click add new
4) Added new data in Mumbai Region
5) Click on Save Button
6) It passed Control to the Centre Main Page....Where i found Bug
7) Bug - If i add any data successfully, The main page should shows all records but not prevously searched records....
