Clubbed Export Not working | Low

Hi Rakhi,

Report clubbing export is not working proper.

Thanks

Issue has been resolved on resoftmaster.urdemo.net. Please verify it.

Thanks,
Rakhi.

resoftmaster.urdemo.net is identical copy of local server, some php files are used for PDF related functionality, some code for file inclusion works on local server but not on live server, so it have to change on live server directly.(testing is in process)

Thanks,

Rakhi

Uplad all necessary from local server to live server and this should be done on daily basis.
